### Description:

**Review** "Whatever joy one found in [*All Creatures Great and Small*] is in [*All Things Bright and Beautiful*], only even more joyous; whatever laughter rippled from the throat in the reading of the first, finds even greater gusto in this one. It is funny, wry, simple in its story but as deep and perceptive of life's truths as the superlative sensitivity of the write and his talent can make it." -- Dorothy Eastland, *The Hartford Courant*

"Christopher Timothy conveys his relish for the countryside and country folk, not to mention animals.... Herriot's generous nature and honest concern coupled with Timothy's friendly style are a winning combination." --*AudioFile*
